Wells

Use the well as a simple effect on an element to give it an inset effect.

Examples

Default

Look, I'm in a well!

```
<well>Look, I'm in a well!</well>
```

Small size

Look, I'm in a small well!

```
<well size="sm">Look, I'm in a small well!</well>
```

Large size

Look, I'm in a large well!

```
<well size="lg">Look, I'm in a large well!</well>
```

Options

Attribute	Default Value	Allowed Values
